**OPTIONAL Children's Reduced and Ethnic Benefits**

We are required to ask for information about your children's race and ethnicity. This information is important and helps to make sure we are fully serving our community. Responding to this section is optional and does not affect your children's eligibility for free or reduced price meals.

**Ethnicity (check one):**

- Hispanic or Latino
- Not Hispanic or Latino

**Race (check one or more):**

- American Indian or Alaskan Native
- Black or African American
- Asian
- Native Hawaiian or Other Pacific Islander
- White

**INCOMPLETE APPLICATIONS WILL BE DENIED**

- 1. List ALL household members who are infants, children, and students up to and including grade 12 (if more spaces are required for additional names, attach another sheet of paper).
- 2. If applicable, list a current food stamp, FDIPIR, or TAFI case number for any member of the household (an EBT or Quest card number is not allowed).
- 3 A) Report all income earned by all children. Child income is money received from outside your household that is paid directly to your children; this includes but is not limited to earnings from work and social security (disability payments or survivor's benefits).
- 3 B) Please include ALL members in your household who are living with you and share income and expenses, even if not related and even if they do not receive income of their own. DO NOT include children and students already listed in Step 1.
- Income:** Report all amounts in gross income (before taxes and premiums) only. Report how often each type of income is received using the check boxes to the right of each field.
- If you are self-employed, report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.
- Report total household size. Enter the total number of household members in the field "Total Household Members (Children and Adults)". This number MUST be equal to the number of household members listed in Step 1 and Step 3. It is very important to list all household members, as the size of your household determines your income cutoff for free and reduced price meals.
- Provide the last four digits of your social security number. The household's primary wage earner or another adult household member must enter the last four digits of their social security number in the space provided. If no adult household members have a social security number, leave this space blank and mark the box to the right labeled "Check if no SS#".
- 4. All applications must be signed by an adult member of the household. By signing the application that household member is promising that all information has been truthfully and completely reported.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDIPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
