

Summer Lunch Program Information for Volunteers
May 2017

The Summer Food Program allows us to offer free meals to all children between the ages of 1 to 18. This program is funded by USDA to provide meals for children when school is out and they do not have access to school meals. We could not offer this program without volunteers! Each day we need 2 or 3 volunteers at the meal site. **Thank You for the gift of your time!**

Volunteer Duties (what you can expect):

- Sign in each day
- Set up the serving area
- Wash hands and bring out the food
- Serve appropriate portions to children and adults (we will tell you how much to serve)
- One meal per child is allowable until told to give seconds
- Communicate with the cooks if you are running low of an item
- Help to supervise the children in the park
- Help to pick up litter and recycle

THE FOLLOWING USDA RULES MUST BE FOLLOWED FOR OUR FUNDING:
Food cannot be taken from the park. Children must be served at least 3 of the 4 items on the menu for a complete meal, including an entrée and either a fruit or a vegetable.
Adult meals are now free due to a generous donation.
All families are served regardless of race, color, national origin, sex, religious creed, disability, age, political beliefs, or reprisal or retaliation for prior civil rights activity.
THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER.

- Lunch is served Monday through Friday from 11:30 AM to 12:30 PM
