

A Special Note to Kindergarten Parents

(PM Kindergarten Only)

A parent/guardian or another responsible person shall be available at the bus stop in the afternoon to meet kindergarten, pre-kindergarten and Head Start students. Due to safety concerns, those children will not be dropped off unless a designated person is available, and will instead be returned to their schools. Responsible individuals include parents, guardians and older siblings. With prior written approval from a parent or guardian, students will be released to other designated adults. This rule applies to public and non-public school students who ride district buses, but does not affect students in higher grades.

School Bus Stops

1. Students should be waiting at their designated bus stop five (5) minutes prior to the published stop time for the stop. Drivers are instructed not to arrive at stops early, and also not to wait at stops for students who are not there. Please help us to be on time by being at your stop five (5) minutes early.
2. Students shall board and leave the bus at their established stop, except when they have sent a request signed by their parent/guardian to their school's office and have received an Emergency Bus Pass approved by their Principal to board or leave from another established stop. Students shall ride their assigned bus unless reassigned by the respective school Principal or Transportation Director.
